Throughout this season of Lent we have been thinking about forgiveness. None of us are perfect, we all make mistakes but our ability to move on when things have gone wrong is made so much easier by knowing God loves and forgives us. "When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." (John 8:12)

Sport Relief by Priya

Today we did a sponsored run for Sports Relief. We ran all the way around the school and through the car park with everyone cheering and music playing. The teachers all ran with us and the Sports Captains stood by the side and marshalled. I hope we raised lots of money!

Thank you to all those who attended Parents Evening this week, it is always lovely to see the children so enthusiastic to share their learning with you and to celebrate their achievements. The staff were very appreciative of the lovely feedback and thanks they received during the meetings, please remember if at any time during the year you wish to show your gratitude you can always send an email via the school office – I know it is always well received!

As Holy Week has fallen in term time this year we are looking forward to being able to come together as a school community throughout the week to reflect and prepare for the coming of Jesus. We will be marking each event of Holy Week and as such the school office will be closed during these times – please see the note above.

Huge thanks once again to our amazing SA team. I have heard so much about the St Paddy's Family Fun Night which was a huge success and has raised an incredible amount of money for our school. Thanks also to the parents who continue to support these events.

As Spring has now officially begun I hope we all get to see some sun this weekend!

Best wishes,

Mrs Nikki Peters
