

Equality Scheme

Introduction

In line with our Vision statement, we respect the equal human rights of all our pupils, staff, governors, parents/carers and members of our school community. We promote equality through our curriculum, classroom activities, induction programmes and school policies.

We comply with relevant legislation. We do not tolerate discrimination against race, disability, gender, age or sexual orientation. Our Admissions Policy gives preference to children of Catholic and Christian families in a way that is clearly set out in that policy. We are required to appoint practising Catholics to the posts of Head teacher and Deputy Head teacher. Subject to that, the school welcomes the diversity brought to the school by children of families of other faiths and people of good will.
