St Teresa's is a 'Good' School, with 'Outstanding' behaviour and attitudes, built on a strong ethos and shared values. We have a highly effective and supportive leadership group, teaching team and support staff. The school is well supported by our governors, who work well together with a shared purpose.

We are looking to appoint a committed and enthusiastic Lunchtime Controller to join our friendly and popular school. You will need to model excellent communication and interpersonal skills and preferably already have experience of working in the primary school sector.

You'll play a vital role in supporting our pupils during their lunchtime break, helping to create a safe, happy, and inclusive environment. This is a fantastic opportunity for someone who enjoys working with children and wants to contribute to our welcoming school community.

If you have the enthusiasm and commitment and always want to 'put the children first', please contact us for more information.

Visits to the school are welcomed and can be arranged by contacting the Office.
