chronological report
Romeo and Juliet

DT/Art

Who was William Morris?
How does he create pattern?
Creating our own William Morris style prints.
Baking scones for the Queen's Jubilee picnic.

Science

Forces

- explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object.
- identify the effects of air resistance, water resistance and friction, that act between moving surfaces
- recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect

Living things and their habitats

- describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird.
- describe the life processes of reproduction in some plants and animals.
