

St Teresa's Times

An Interview with Mrs P!

By Juliette Azouzi and Sasha Walton

Last week on the 4th October two year 5 pupils Juliette and Sasha interviewed our head, Mrs Peters.

These were some of the questions we asked Mrs Peters:

How did you feel when you were interviewed to be head teacher?

I was terrified because it took two full days being asked different kinds of questions especially when they were hard to answer!

What is it like being head of the school?

I love it and it's the best job.

What's your favourite thing about St Teresa's?

The children and staff because whenever I am sad they always cheer me up and help.

Are you proud of this school?

I am very proud because there are so many lovely and hardworking people including the staff.

Did you prefer being head of the school or deputy head?

Mrs Peters found this question very hard but she did come up with an answer, she said she prefers being head because you're allowed to make more choices.

What's your favourite part of being head teacher?

My favourite part is getting to create more options for everyone to learn in a fun way.

What was your favourite thing to do at school when you were younger?

Well my favourite part of school was Drama and English.

What is your favourite event in the year?

Performances in the school year because they're fabulous every year.

Do you have any pets even when you were younger?

She didn't have one when she was older but a dog called Morph when she was younger!

Thank you for giving up your time to answer our questions!

Our MacMillan Coffee Morning

Friday 30th September was the world's biggest coffee morning. As a school, we helped raise money for MacMillan. We decided to give the hall a makeover (we used lots of glitter). Sophie and Georgia interviewed a few people to see what they thought about the Year Five coffee morning. Mrs Corbett said: "I love the decorations, they're definitely in theme." Vicky Hammond gave a quote "every time we looked up there were people asking you if you wanted another cup of tea!"

It wasn't just adults that liked it, the children did too. Robin Howick and Immy Fairclough were enjoying their cupcakes and let's hope that they don't enjoy them as much when they are in Year 5.

Lots of parents and teachers agreed that Year Five did an amazing job and enjoyed the morning.

We also asked a few children if they were having as much fun as the parents. Maddie Smith quoted "I am enjoying the parents company," surprisingly Maddie said that her mum was not being embarrassing, we informed Mrs Smith that she was not doing her job properly as a parent so let's hope

that she shaped up and gave Maddie a big, sloppy kiss before the coffee morning ended!!

MacMillan coffee morning was a great success but it didn't just happen over- night! Miss Bourke put in a lot of hard work to make it happen we asked her if it was tough work "Yes it was but it was worth it to see all the happy faces!"

Thank you for helping us raise lots of money for an amazing charity, it will make a huge difference to people's life.

Toby Ezinmo: "Great! It was like an accomplishment that seemed impossible but it wasn't."

What was it like going to the Madjeski Stadium?

James Barker Lopez: "It was very fun! We felt proud to represent the school!"

How does it feel to play in the Wokingham League?

Luke Lohan: "I was scared being the only Year 5 in this match."

St. Teresa's vs Keep Hatch

1 – 5

And another football match between our team and Keep Hatch, which took place on 6th October at the Madejski Stadium in Reading. This time Keep Hatch won 5 to 1. We interviewed some of our players to find out their reaction:

How did it feel to be beaten by Keep Hatch?

Luis Morton: "It was sad though we played our best."

What was your reaction to the final score?

Kane Ainsworth: "I thought we played quite well. But they were a good team because they all train together."

What do you think will happen next time our team plays against Keep Hatch?

Jess Humm: "We need to improve our teamwork to beat them."

We then asked the football coach, Mrs Carter, what she thought of the team's performance:

What did you think about the team's performance over the last two games?

Mrs Carter: "Very well! Every time they play, they get better and better."

So all in all, St. Teresa's are doing an astounding job and we should all be very proud!
