At St Teresa's we aim to inspire children to develop a love of learning so that they are equipped with the attributes, skills and knowledge that will serve them beyond their time at our school.

As a community of Staff, Parents and Governors we work together to ensure the values, experiences and education we provide will enable our children to learn together and build the strong foundations necessary to achieve success in life.

We endeavour to live our lives as disciples of Jesus by treating each other with the respect and kindness that we each deserve.
